Overview	1
Introduction	1
Creating and Rendering Handlebars Templates	15
Users List Template Example	11
Combining URL Parameters and Templates	10
The Handlebars "If" and "Each" Helpers	14

WEEK 3

Back-end Development with Fastify: Simple REST API Example

Overview	1
----------	---

Introduction	1
Basic REST API Design	10
Creating a "List" Endpoint	10
Creating a "Read" Endpoint	10
Creating a "Create" Endpoint	10
Creating "Delete" and "Update" Endpoints	13

Back-end Development with Fastify: Full-Stack Todo List Example

Overview	1
Introduction	1
Basic Strategy and Setup	7
Loading and Displaying Todos	15
Creating New Todos	15
Updating Todos	12
Deleting Todos	4

Back-end Development with Fastify: Build a Cookies-Based Shopping Cart

Overview	1
Introduction	1
Creating an In-Memory Cart API	13
Using Cookies to Store Cart Data	13
Adding and Removing Cart Items	7
Using Request Hooks to Parse Cookies	12

WEEK 4

165 min.

Using Request Hooks to Set Cookies	5
------------------------------------	---

Back-end Development with Fastify: Build a Shopping Cart Front-end

Overview	1
Introduction	1
Creating a Products Page	11
Creating a Shopping Cart Page	7
Adding to and Removing From Cart on the Front-end	11
Using Custom Handlebars Helpers	11
Adding a Simple Filter	7

Back-end Development with Fastify: Build a Tic-Tac-Toe Game API

Overview	1
Introduction	1
Basic Game Flow and Implementation Strategy	4
Creating New Games	12
Accepting Player Input	10
Validating Input and Generating Computer Moves	11
Preventing Duplicate Moves	6
Calculating Wins, Losses, and Ties	12

Back-end Development with Fastify: Add Front-end Logic to a Blog Site

Overview	1
Introduction	1
Creating a Navigation Bar	9
Adding Upvotes to the Back-end	9
Adding Upvotes to the Front-end	7
Adding Comments to the Back-end	9
Adding Comments to the Front-end	15

WEEK 5

Back-end Development with Fastify: Build a Full-Stack Blog Site 58 min.

Overview	1
Introduction	1
Project Design and Setup	9
Creating the Pages	14
Creating the Articles List Page	12
Implementing the Individual Article Page	10
Displaying a "Not Found" Page	9
