## WEEK 1

### Managed FortiSwitch Fundamentals

157 min.

Intro to Managed FortiSwitch Fundamentals	1
FortiSwitch Overview	18
FortiGate FortiLink Interface	14
Auto-Discovery & Manual Authorization	4
Automated Switch Authorization	4
Displaying Managed Switches	5

### FortiSwitch Topologies and STP

Overview	1
Intro to FortiSwitch Topologies and STP	1
Topologies and STP Overview	10
Single FGT to Single FSW	9
Single FGT to FSW Stack	7
HA FortiGates and FortiSwitch	6
Spanning Tree Protocol	14

### FortiSwitch Ports, VLANs, & Trunking

Overview	1
Intro to FortiSwitch Ports, VLANs, & Trunking	1
Overview of FortiSwitch Ports, VLANs, & Trunking	12
Layer 2 Ethernet Switching	10
Layer 2 Switch Ports	5
Power over Ethernet (PoE)	8
Link Aggregation	24

## WEEK 2

155 min.

Virtual Local Area Networks (VLANs) 9

### FortiSwitch Layer 2 Security

Overview 1

Intro to FortiSwitch L2 Security 1

Overview of Layer 2 Security 10

DHCP Snooping 15

Dynamic ARP Inspection (DAI). 14

Intra-VLAN Traffic Control 5

Storm Control 6

Limits on Learned MAC Addresses 9

### FortiSwitch Advanced Features

Overview 1

Intro to FortiSwitch Advanced Features 1

Overview of Advanced Features 9

Network Access Control (NAC) 15

MAC Address Quarantine 6

IGMP Snooping 14

FortiSwitch QoS 15

LLDP and CDP 13

### FortiSwitch Monitoring and Troubleshooting

Overview 1

Intro to Monitoring and Troubleshooting 1

Network Design Game Plan 6

## WEEK 3

151 min.

Initial Bootstrap of FortiGate 7

Configuring Routing 7

Configure FortiLink 3

Adding the FortiSwitch 23

Adding VLANs 5

Adding a Manual Trunk 10

Firewall Policies and NAT 13

Tools for Monitoring 8

### FortiSwitch Standalone Mode

Overview 1

Intro to FortiSwitch Standalone Mode 1

Overview of Standalone Mode 8

Bootstrapping a FortiSwitch 8

FortiSwitch Standalone GUI 13

FortiSwitch & FortiLAN Cloud 9

VLANs and Interfaces 13

Trunks 11

ACLs and Private VLANs 9

## WEEK 4

### FortiSwitch Spanning Tree

86 min.

Overview 1

Intro to FortiSwitch Spanning Tree 1

Spanning Tree Overview 16

CLI Access to Managed Switches 8

MST Instances 13

Creating a New MST Instance 14

Configure Multiple STP Root Bridges 9
