WEEK 1

Introducing and Installing Active Directory

152 min.

Overview	1
Course Supplemental Files	1
What is Active Directory?	9
What's New in Active Directory?	9
Installing Active Directory	27
Installing a New Tree or Child Domain	15

Active Directory Management Tools and Read-Only Domain Controllers

Overview	1
Active Directory Management Tools	21
Installing AD DS Management Tools	9
Read-Only Domain Controller Overview	14
RODC Installation and Configuration	23

Domain Controllers in Azure and Flexible Single Master Operation

Overview	1
Domain Controllers in Azure	19

WEEK 2

154 min.

Flexible Single Master Operation Part One	19
Flexible Single Master Operations Part Two	9
Transfer a FSMO Role	20
Seize a FSMO	12

Domain/Trust Relationships

Overview	1
Domain Relationships	11
Trusts and Direction	11
Create a Trust	18
Verify a Trust and Selective Authentication	9

Active Directory Sites and Replication

Overview	1
Intrasite Replication	5
Intersite Replication	21
Advanced Site Topics	15

WEEK 3

158 min.

Replication Quiz	6
------------------	---

Manage User Accounts and Join Computers to a Directory

Overview	1
Supplemental File	1
User Account Basics	11
Edit a User Account	10
Automate User Account Creation	13
Limitations of Joining Computers to AD	7
Use Commands to Join a Domain	12

Managing Groups in Active Directory

Overview	1
Introducing Active Directory Groups	5

Default Active Directory Group Accounts	7
Group Scope	14
Use PowerShell to Manage Groups	14
Implement Group Managed Service Accounts	14

Implement the Azure AD Connectors

Overview	1
Introducing Azure AD Connect	8
Synchronize the Azure AD Connect Tool	17
Password Hashes	13

WEEK 4

161 min.

Azure AD Connect Health	8
Synchronization Service Manager	7
Implement Azure AD Connect Cloud Sync	15

Integrate AD DS, Azure AD, and Azure AD DS

Overview	1
Integrate AD DS, Azure AD, and Azure AD DS	1
Why and When to Use Azure AD DS	9
Deploy the Managed Domain in Azure	15
Configure VNet DNS Settings	6
Join an Azure VM to the Managed Domain	9
Remote Server Admin Tools	6
Fix Azure AD Connect	5
Other Security Considerations for Azure AD DS	8
Summarize Azure AD DS Integration	1

Implement Group Policy in AD DS

Overview	1
Introduction to Group Policy	16
Group Policy Processing	15
Group Policy Scope of Management	19
Processing Adjustments	17

WEEK 5

60 min.

Processing Adjustments: WMI and Security Filtering	6
--	---

Implement Group Policy Preferences in AD DS

Overview	1
Group Policy Preferences Overview Part 1	10
Group Policy Preferences Overview Part 2	15
See Group Policy Preferences in Action	17
How to Survive Red Light, Green Light	9
